

Eurostar Academy

Sponsor Form:

All Academy Teams are required to fill out a "Sponsor Form" for all of their sponsors. It is the **Team Manager's** responsibility to co-ordinate with the team vis-à-vis available placements, and to complete the Sponsor Form (together with cash or cheque) to be forwarded to Eurostar Academy.

Sponsor Advertising:

The amounts outlined are the **minimum** a Sponsor can give to advertise on the given item. Minimums and sponsorship locations are to be followed. Any exceptions **MUST** have Academy approval. Sponsorship items are listed on page 3.

Sponsorship Finder's Benefit:

Players shall receive 25% of the sponsorship they collect, to a maximum of \$500.00 per player, to be credited towards their registration biweekly payment in a biweekly format. For example, for every \$1,000.00 a player raises in sponsorship \$250.00 goes towards that player's overall payment and thus reducing the biweekly payment accordingly depending on how long is left in the season.

The remaining balance, minus the costs for uniform screening or printing, an appreciation plaque, logo conversion, etc., shall be divided equally amongst all the players on that respective team, as of the sponsorship cutoff date. This date shall be determined based on uniform printing and distribution needs.

Support GREAT STUDENT-ATHLETES and help the CHAMPIONS of tomorrow have access to world-class. Training at Eurostar Academy.

Eurostar Academy

Through much of Canadian Soccer's history, economic barriers to participate in youth soccer were very low. Increasingly, however, Eurostar Academy, a high-performance development program, has had to rely on tuition increases to meet the rising costs of running a world-class Academy and to offset the added Team fees ensuring the highest level of local and Eurostar competition for its members.

The consequence? Talented student-athletes are finding it ever more difficult to afford the tuition costs needed for their elite development.

Our goal is to make certain that the best and brightest individuals continue at Eurostar. We need your support to make this happen. Your contributions will help create a pool of resources for promising young soccer players.

Today's Eurostar athletes are making their investment—training routinely, maintaining high academic grades, and competing regularly in top-notch local and Eurostar events. Now we ask you to join our team of fans by investing in Canadian Soccer's Future – Eurostar Academy.

Your company can only gain by affiliating itself with Eurostar Academy. In return, your company will receive the following: dynamic logo visibility, website visibility, print advertising, field signage, targeted promotional placement, and much more.
